

50th Anniversary Gala

The Vision

Fifty years ago Salem was a school for eight children with special needs. We have been transformed into a ministry supporting 110 individuals with developmental disabilities in 19 community homes. God has never stopped directing the vision of the five families who started Salem. We are proud to say we will be celebrating our **50th Anniversary** of helping individuals to grow and experience life by empowering them to reach their full potential. We also celebrate communities that are learning to focus on abilities, not disabilities.
